Assessment Group May Go Back to PSC

BY JACK D. MARTIN
LITTLE ROCK (AP) — The Legislative Joint Reassessment Committee today acted to move the Assessment Co-ordination Department back under the Public Service Commission.

The committee, stepping up its pace in proposing remedial legislation for the beleaguered tax-reassessment program, met in an extended session and scheduled another meeting after legislative business is completed today.

It agreed to get up all its proposals into a package of legislation for introduction tomorrow.

A bill to curb excessive school taxation in districts where property assessments have gone up but millage rates haven't gone down got the committee's endorsement. The bill would require that a district couldn't receive a tax increase of more than 15 per cent of its 1957-58 level.

On motion of Sen. Roy Riales of Mena, the panel agreed that a similar bill should be sought for cities and counties.

Rep. Jack Oakes of Woodruff County proposed moving the AGC back under the PSC, of which it was a part until two years ago. Oakes said he thought this action would strengthen the program and remove a lot of objections to its "particularly those to a one-man equalization board." He referred to the director's powers in the AGC, which under the move would be shifted to the three-man PSC.

Oakes proposal came after a motion by Rep. Paul Van Dalsen of Perry County to move into the utilities assessment division of the AGC back to the PSC.

The committee adopted Van Dalsen's motion, but shortly afterward enlarged on this action by adoption of Oakes' proposal also. Moving the whole department would affect the intent of the reassessment program, Oakes said.

The program requires counties to set their property assessments at 18 per cent of valuation by this year, an 80 per cent by 1960. The original law required the 18 per cent level to be met by Dec. 1, 1958, but the Legislature has passed a bill that extends the deadline to the end of this year.

Van Dalsen also put through a

Hempstead Land Deeded to College

ABILENE, Tex. (AP) — A total of 1,193 acres of Arkansas timber land, valued at \$119,300 was deeded yesterday by a Texas couple to Abilene Christian College here.

The property owned by Mr. and Mrs. George Wesley Cox of Canyon, Tex., is in Pike, Nevada and Hempstead counties near Hope, Ark.

The 70-year-old Cox, a farmer, has been a trustee of the Church of Christ-supported college since 1922 and an elder of the church for 34 years.

He said more than half of the acreage has large timber and the rest is planted to pine seedlings. He estimated that within 20 years the land will be worth \$400,000 to \$500,000, based on present values.

The Coxes and a daughter at the Cox family went to Abilene Christian College. All the boys were on the football team during one year.

Proxmire Is Accused of Bad Judgment

BY ERNEST B. VACCARO

WASHINGTON (AP) — Sen. William Proxmire (D-Wis.) was accused today of acting with "poor grace" and "little justification" in challenging Sen. Lyndon B. Johnson's control of the Senate Democratic legislative machinery.

Sen. J. William Fulbright (D-Ark.) added that he considered Proxmire's revolt against the Senate majority leader's operations "a matter of no great importance."

But Proxmire, conceding little likelihood of immediate change, said that "perhaps in two or three years we may get where the leadership feels a responsibility to the membership."

Fulbright, chairman of the Senate Foreign Relations Committee, spoke in an interview as Proxmire won support from Sens. Wayne Morse (D-Ore.) and Joseph S. Clark (D-Pa.)

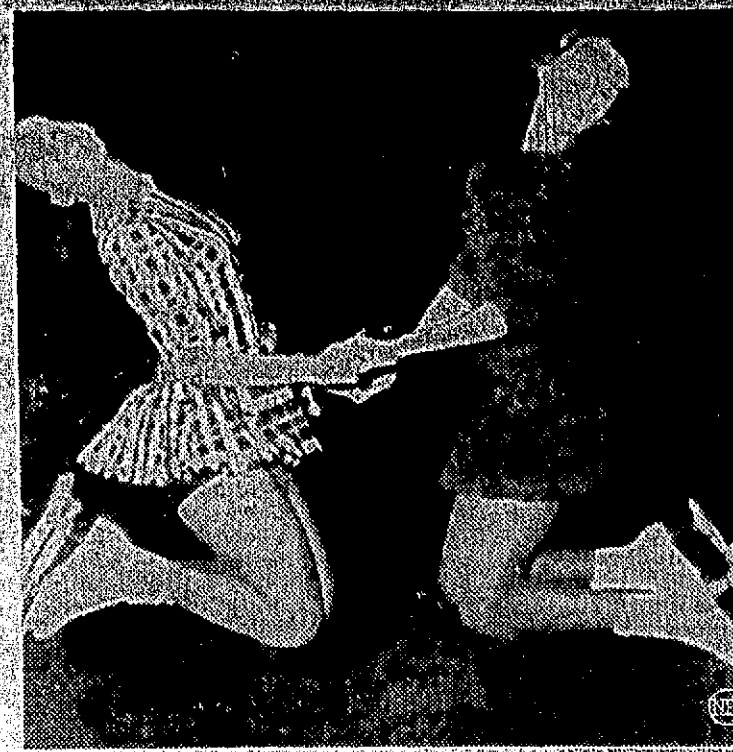

Morse and Clark Tuesday joined Proxmire in calling for a revival of party caucuses to decide whether to bring up for floor consideration Monday that this is necessary if Democrats are to carry out their campaign pledges.

But Sen. Dennis Chavez (D-N.M.) lined up with those who have rallied around Johnson. Chavez said the sooner Proxmire learns he is not the only one who took an oath to support the Constitution, "the better it will be for all concerned."

Fulbright told reporters he thought Proxmire's stand was not well taken.

"I don't question his motives," Fulbright said, "but I think his floor speech came with very poor grace and with very little justification. Sen. Proxmire has been exceptionally well treated on committee assignments."

Fulbright said there were other ways — rather than a public speech on the floor — for Proxmire to have raised questions concerning Johnson's leadership.

70 Cotton Growers at Study Meet

More than 70 cotton producers and friends of the cotton industry in Hempstead County attended the cotton meeting yesterday in the county courtroom. The informational meeting was arranged by Cecil Guthrie, County ASC Administrative Officer and Oliver Adams County Agent.

Carrying out cotton production practices according to needs and not because it is a customary thing could contribute to lowering the cost of cotton production on many farms, stated Extension Cotton Specialist William Woodall.

Good seedbed preparation, early weeding and grass control, necessary cultivation, fertilization according to need, good seed of variety of known performance and needed insect control were practices stressed by Mr. Woodall.

In demonstrating a manner of determining a partial budget, as a guide in determining the selection of choice (A) and choice (B) cotton allotment and price supports for 1959 by a cotton producer, Wade Benefield, the Associate County Agent, presented a form for calculation of possible income under each choice.

Mr. Benefield stressed the need for using data for the individual farm when making the calculations and considering alternate crops. Forms to use as a guide in preparation of the partial budget are available at the Extension Service Office.

Mr. Guthrie explained the operation plans for administration of the 1959 cotton program. He stressed the importance of producers planning to plant their entire cotton allotment to turn the acreage to the county ASC committee for allocation to other farms for planting in 1959. Such a cooperation would permit the planting of the acreage in Hempstead County and at the same time save the acreage for the farm.

Mrs. Cora Rogers, 73, Dies Today at DeKalb, Tex.

Mrs. Cora Rogers, aged 73, a longtime resident of Hope, died early Wednesday at the home of her son in DeKalb, Texas. She was the widow of L. H. Rogers who died here only two weeks ago. She was a member of the Eastern Star and the First Baptist Church of Hope.

Survivors include a son, Homer Lee Jester of DeKalb; three stepsons, Charles Rogers of Ory City, Texas; Marvin Rogers of Char. Joffe, N. C. and Woodrow Rogers of Longview, Texas; two stepdaughters, Mrs. A. M. Covey of Ory City, Texas and Mrs. Bryant Holmes of Gilmore, Texas; a brother, Herman C. Maddux of Texarkana.

Services will be held at 2 p.m. Thursday at Oakcrest Chapel by Dr. John McClanahan. Burial will be in Rose Hill Cemetery of Texarkana. Active pallbearers: James Cobb, Joe Webb, Leo Compton, Otha Russell, Dewey Baber and T. J. Barber.

Postmaster Is Feeling Fine Today

Postmaster Robert Wilson is feeling fine today at Branch General Hospital following reaction to drugs yesterday which made him very ill. It was reported by Dr. James Branch. "He's going to be all right," the Doctor said.

Rifle Award Will Go to Local Youth

David Moore, son of Mr. and Mrs. Norman Moore will receive the Rifleman of the Year Award, issued annually by the National Rifle Association to the outstanding shooter in each NRA-affiliated club.

David, having been a member of the local club for the past three years, has participated in three NRA Junior Sectional Tournaments in which he was a team member on the winning team, under 15, for two years and on the second place team the third year. In 1957 David fired the tournament high score for a team member under 15 years of age.

In four weeks of competitive rifle shooting, Moore fired a 357,400 score for the team and a 342,400 score for the individual. He was placed in his bid for the award by "Sonny" Kitchens with a 342,400 and Phil McDuffy with a 344,400 and David Stewart with a 276,400.

The local club will travel to Henderson, Texas this week end to participate in the annual Junior sectional.

ABA Wants Laws to Curb Communists

CHICAGO (AP) — The American Bar Assn. says Congress should tighten laws designed principally to curb Communists.

Voting approval Tuesday of a committee report which made such a recommendation, the ABA's ruling House, of Delegates ruled officially that some recent Supreme Court decisions dealing with Communist activity and internal security "have been severely criticized and deemed unsound by many responsible authorities."

In general, the report says, Congress is to take another look at some recent Supreme Court decisions and amend the questioned laws to remove any doubts as to the intent of the legislators. Any proposals to limit the Supreme Court's jurisdiction are opposed.

But the report noted that differences over some court rulings "have given rise not only to severe criticism of the decisions, but unfortunately to a condemnation of the court itself. It advocates a clear definition of the powers of the House Committee on Un-American Activities."

In a stormy session, ending the 240-member House's two-day session, Lloyd Wright of Los Angeles, former ABA president, led the fight to delay a vote on the report until the annual ABA meeting in Miami in August.

"We owe the people of this country enough to tell them what the Communists are doing," Wright said. "Isn't it time we told the court to read the law and stop writing ideological opinions?"

Hearing Called on Utility Assessments

LITTLE ROCK (AP) — A legislative committee last night voted against a bill which would result in higher taxes on railroads and utilities.

The House Revenue and Taxation Committee took its action after a public hearing on the measure, designed to force railroads and utilities to access their holdings before any taxes are deducted. The new assess after deducting taxes.

Opponents of the bill argued that it would result in rate increases on railroad users and utility consumers and would hurt the state's industrial development.

Those who favored the measure contended it would help rectify inequities they say in the property reassessment program.

Ike Says He Knows More Than Military

WASHINGTON (AP) — President Eisenhower said today he knows more about defense needs than the individual military service leaders.

The President, at a news conference, struck back at what he called demagogic critics of his defense program.

Eisenhower referred in a sarcastic voice to talk about some missiles, submarines and radar.

He did not name specifically these critics of his defense program. But it was clear he was aiming this shot at Sen. Stuart Symington (D-Mo.) and others who have contended the administration's defense program will permit the United States to fall behind Russia in the production of intercontinental missiles.

A reporter touched off a vigorous response from Eisenhower when she noted that some of the service chiefs have indicated views differing from the President's in their testimony before congressional committees.

The reporter asked if some way could be found to eliminate these differences of opinion.

Eisenhower replied that he was astounded at the question. He said he has spent all his life on this military problem and for six years has had the final responsibility for defense decisions.

It is very natural, the President said, that there should be a conflict of views on any proposals that humans make. He said he would of any three reporters in the conference room would agree on how to run a newspaper.

Eisenhower said the heads of the three military services naturally do not have identical views since each believes his service is most important to national defense. Because of this, the President said somebody has to make the decisions.

Eisenhower said that for the first time he was violating his own rule to maintain a position of neutrality.

"I think," the President said firmly, "that he is more able than any individual military leader to judge the necessities of over-all defense."

Then he struck at those line Symington who have been calling for an increase in the \$41,000,000 defense budget. Just spending money doesn't mean that you're going to make the nation strong, Eisenhower said.

He added spending may operate to weaken defense.

"What is required," the President continued, "is a nicety of judgment which will insure that the country has a balanced defense."

Mrs. Cora Wilson, 74, of Fulton, Dies Wednesday

Mrs. Cora Wilson, aged 74, a resident of Fulton, died early Wednesday while enroute to a Texarkana hospital. She suffered a heart attack.

Survivors include her husband, Ed Wilson; three sons, Paul of Baldwin, La., Lee of Fulton and J. O. Wilson of Dallas; Three daughters, Mrs. Harry Robinson and Mrs. H. T. Smith of Wake Village, Texas; Mrs. George Patterson of Salem, Oregon and a brother, Clint Cross of Cooper, Texas.

Services will be held at 4 p.m. Thursday at Fulton Church of Christ. Burial by Herndon-Cornell will be in Rose Hill Cemetery here.

All Around Town

By The Star Staff

Hope District Methodist Superintendent Dr. Robert B. Moore, has been called to Little Rock on account of serious illness in his family.

Camp 28, Woodmen of the World, is having a special chili supper at 7 o'clock Thursday night at All Camps are invited. . . and the YFW will meet at 8 o'clock Thursday night at the hut on Highway 67.

Billy Joe Gentry, Hope, a freshman in the college of Engineering is among the students at Oklahoma State University undergraduates to be named to the Dean's honor roll for the fall semester. . . at Henderson State Teachers College let. L. L. Bill Andrews, Hope, son of Mr. and Mrs. Sam Andrews, is one of the officers of a newly formed ROTC Company.

Rep. Talbot Field Jr. of Hope has introduced HB 514, asking for an appropriation of \$5,000 for restoration and refurbishing the Civil War Capitol at Washington by June 30, 1961.

Soviet Attitude Leaves Little Promise for Peace, President Says

MacMillen Is Shaken by Khrushchev

BY HAROLD K. MILKS

MOSCOW (AP) — Prime Minister Harold MacMillan and Soviet Premier Nikita Khrushchev had another long private talk today, this time with Khrushchev's latest public attack on the West as a wet blanket.

Khrushchev and his chief aides had lunch with MacMillan. After lunch, Khrushchev and MacMillan retired to a private room for conversations, their third such exchange since the British leader arrived Saturday on his 10-day mission to Moscow. It was after 5 p.m. when they called it a day.

GENEVA (AP) — "The United States and Britain told Russia today that Tuesday's speech by Soviet Premier Nikita Khrushchev raised the gravest doubts whether agreement could ever be reached to ban nuclear weapon tests."

Macmillan was obviously shaken by Khrushchev's fiery statement to a political meeting in the Kremlin Tuesday while his British guest was away from Moscow. Khrushchev said the Soviet Union see no point in a Big Four foreign ministers meeting, will not deal with the Western Allies on German unification and still plans to give the East German control of Allied supply routes to West Berlin.

Khrushchev motored out today to Uspenskoye to join MacMillan and British Foreign Secretary Selwyn Lloyd at the villa 25 miles from Moscow which was put at the British disposal for their visit. Khrushchev was accompanied by Dep. Premier Anastas I. Mikoyan and Foreign Minister Andrei Gromyko.

Over lunch and into the afternoon, the two delegations were to continue the discussions which they last held at the Kremlin Monday.

A British informant said Khrushchev will fly to Kiev Thursday in the same plane with Macmillan. This had not been on the schedule. Macmillan and Lloyd were to have gone alone to visit Kiev.

After two days in Kiev, Macmillan will leave by plane Saturday morning for a day's stay in Leningrad, then return for final formal talks Sunday.

The sudden free-wheeling tactics of the Soviet premier caught the 65-year-old Macmillan off balance halfway through his 10 day visit aimed at bringing better understanding between East and West.

Shocked by Khrushchev's challenge at a British Embassy cocktail party Tuesday night a few hours after he made a sudden biting attack on the west, Macmillan commented in a stunned undertone: "This is an extraordinary method of diplomacy."

Macmillan, suffering from a heavy head cold and looking weary, excused himself from the party early while the Soviet premier bounced around the room joking and making offhand quips to diplomats and newsmen. The

Admits on Payroll While in School

DES MOINES, Iowa (AP) — The son of Republican Sen. Thomas E. Martin of Iowa acknowledged today that he was on his father's Senate payroll for three years while attending law school.

But Richard Martin, 37, a Des Moines attorney, said he would accede to the senator's request that he not make public the salary he was paid.

U.S. Senate financial reports do not carry the breakdown on the amount paid each employee. The Senate also refuses to make such information public, although the House of Representatives does make its records available.

Young Martin said he entered law school at Georgetown University, Washington, D.C. in 1955 and was graduated last summer. He said he wasn't on the payroll prior to 1955 and that he resigned sometime last August.

During the three years he carried a full load of classes at college, Martin said he was in the senator's office "almost every day."

Hiring NAACP Member Now Against Law

LITTLE ROCK (AP) — Gov. Orval E. Faubus yesterday signed into law a bill to prohibit any governmental unit or agency, including a school district, from hiring any member of the National Assn. for the Advancement of Colored People.

Mrs. L. C. Bales of Little Rock, state president of the NAACP, called the new law "vicious" and "unconstitutional" and said it would be challenged in court soon.

The bill was one of a package of segregation proposals sponsored by Atty. Gen. Bruce Bennett. The new law will affect an undetermined number of Negro teachers in the public schools and at Arkansas AMN College at Pine Bluff. All state, county and municipal offices are covered by its provisions.

Employment of anyone barred from holding a job because he is a member of the NAACP may be punished by a fine of up to \$100 under the new act.

Faubus also approved a bill to prevent strikers from receiving unemployment insurance benefits. "I don't think the public has ever favored a man drawing unemployment insurance while on strike or on the picket line," Faubus commented.

V. H. (Bill) Williams, executive secretary of the Arkansas state AFL-CIO, called the measure a "strike breaking bill."

On Monday Faubus vetoed another labor-opposed bill, one which would have made unions liable to lawsuits.

Asked if any compromise was involved in the action on the two bills, Faubus replied that he "tried to decide them both on their merits."

Faubus said that under the former law strikers could draw unemployment insurance only if the plant remained open, or reopened, while the strike was in progress. "This merely lightens it up a little," he said.

Among other bills signed by Faubus was one which could result in a redistribution of school revenue in Pulaski County. If voters approved, a new formula would go into effect under which the Little Rock School District would get less money and the North Little Rock and the Pulaski County Special (Rural) District more money. Little Rock Superintendent Terrell E. Powell has said the Little Rock loss would be about \$500,000 a year. The law applies only the counties having a population of 100,000 or more. At present only Pulaski meets that qualification.

Trial for Slaying of Body Found in State

CEDARTOWN, Ga. (AP) — A murder trial opens here Monday for the first of two persons charged with slaying a man whose body was found near Van Buren, Arkansas, last October.

William Hoyt Ledford, 43, and Loraine Lucy Stanga, 28, will be tried separately for the death of Virgil Glenn Gray, 49.

Each blames the other for the killing. They agree that robbery was the motive and that the actual killing occurred near Cedartown. Gray's body was found by hunters on a logging trail 30 miles northeast of Van Buren, Ark. Ledford and Mrs. Stanga were arrested in Gray's blood stained automobile Oct. 7 in Bkany, Okla., a suburb of Oklahoma City.

Declares U. S. Will Not Give on Berlin Plan

BY MARVIN L. ARROWSMITH
WASHINGTON (AP) — President Eisenhower said today the Soviet Union's attitude regarding Berlin is so illogical it offers little promise for establishment of a truce.

"With much emphasis Eisenhower told a news conference the United States will not give the single inch in its determination to preserve the rights and responsibilities of the Western Allies with respect to Berlin."

The President expressed his views in commenting on Soviet Premier Nikita Khrushchev's bold attitude toward the proposal for the Western powers to agree to a ministers conference on Germany.

A reporter asked Eisenhower for his views on what the newsmen formed the Soviet Premier's formal rejection of the Western proposals. The reporter noted the coming without prior notice to British Prime Minister Macmillan at the very time Macmillan was in Moscow for discussion of such matters.

Several to Protest Lewis Strauss

WASHINGTON (AP) — Several Democrats are building a protest bonfire under President Eisenhower's nomination of Lewis L. Strauss as secretary of commerce.

Strauss, one of Washington's more controversial figures, appears likely to get eventual confirmation if only because the Senate seldom in modern times has rejected a cabinet appointment.

But Sens. Estes Kefauver (Tenn.), Olin D. Johnston (D-S.C.) and some other Democrats are expected to direct a hot shot against the former chairman of the Atomic Energy Commission before the appointment is acted upon by the Senate Commerce Committee.

The committee postponed consideration of the nomination scheduled today, after Kefauver asked for a delay pending a House floor vote on the nomination.

Atty. Gen. Rogers, meanwhile made public a letter to Kefauver saying there is no such investigation pending.

Kefauver contended in a statement Tuesday that Strauss was ranged for a presidentially directed inquiry to the AEC to contrast with the Dixon-Yates utility combine to build a power plant at West Memphis, Ark., to supply supplemental power to the Tennessee Valley Authority.

The contract was canceled a presidential order after testimony before congressional committees showed Adolph Wenzell, New York financier, served as an adviser both to the Budget Bureau and to the utilities interests.

Mrs. Butler, 79, Dies at Home Near Rosston

Mrs. Lonja Johnson Butler, 79, died Tuesday at her home near Rosston, Ark.

Survivors include her husband, P. E. Butler; three sons, Brad Rosston, Alvin of Bodeaux, a Oscar of Hooks, Texas; two daughters, Miss Jessie Butler of Texarkana, Mrs. Thomas Neighbors of Belflower, Calif., a brother, C. E. of Texarkana and a sister, M. Eula Bales of Lebanon.

Services will be held at Old Church at 3 p.m. Thursday at Bodeaux by the Rev. P. C. Clark Smith. Funeral home is charge.

Weather

KILLER AMONG US

© 1958 by Robert Martin.
By Robert Martin

THE STORY: Officials of the Bluekeye Abrasive Company believe sabotage is the root of a series of accidents involving the output of the factory. Jim Bennett, a private detective, has been called into the case.

Ackerman took a handkerchief from the breast pocket of his coat, hastily dabbed at his chin and called, "Come in."

Mrs. Donovan opened the door and said quietly, "Mr. Masters is here."

Logan Ackerman appeared to be startled. He stood up quickly, and called loudly, "Come on in, Logan." I was relieved, for his sake, to note that he had successfully removed the lipstick I stood to.

The secretary disappeared and a small man, quietly dressed in a dark blue, stepped through the door. I guessed him to be about five-foot-five, and in his sixties. He was bald, except for a fringe of white hair over his ears, and his eyes were a clear, pale blue. His thin face was lined, but held

Bill Relieves Money Pinch at L. R. School

LITTLE ROCK (AP)—A bill to relieve the financial pinch in the Little Rock School District, caused by withholding of state funds, was rushed through the Arkansas House today.

The measure, by Pulaski Rep. T. E. Tyler, provides that any of the withheld funds not expended by the end of the school year shall be returned to the district.

Under Act 5 of 1958, a total of \$358,000 in state funds has been withheld from the Little Rock district after its four public high schools were closed against integration.

Little Rock School Supt. Terrell Powell estimated last week that this loss of state funds would result in a \$200,000 deficit in the school district this year.

Part of the withheld state money has been distributed to other public and private schools, where Little Rock students have enrolled but Tyler estimated that between \$225,000 and \$300,000 of the money would remain at the end of the school year.

The Soviet premier brushed aside as absolute the Western proposal for a foreign ministers conference on Germany. Instead, he plumped again for summit talks and sprang a surprise by offering British a nonaggression pact.

Nit-Wit in House Brings Big Debate

By WILLIAM F. ABRIGAST

WASHINGTON (AP)—Are there nitwits in the House of Representatives?

The debate was broken up after at least one member insisted that more of his colleagues be on hand for such a controversial matter. The House members debated that question, then left it unanswered after a brief but spirited discussion Tuesday on the House floor.

Carpenter Seeks Divorce Wife

LITTLE ROCK (AP)—Claude B. Carpenter, Jr., administrative assistant to Rep. Dale Alford (D-Ark.), has filed suit for divorce against Gladys Irene Carpenter, whom he married in 1947.

Carpenter charged general indignities, a routine allegation in a divorce action.

Mrs. Carpenter has entered a general denial and has asked that the suit be dismissed.

OH, MY ACHING BACK

Now you can get the fast relief you need from aching backache, headache, and muscular aches and pains that often cause restless nights and miserable tired feelings. When these discomforts come on with over-exhaustion, stress, and strain, you want relief—want it fast. Another disturbance may be mild bladder irritation following wrong food and drink, often resulting in a restless, uncomfortable feeling.

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car"

—The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Temperate economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

PONTIAC! America's Number 1 Road Car

Three Totally New Styles • Catalina • Star Chief • Bonneville

SEE YOUR LOCAL AUTHORIZED PONTIAC DEALER

DAVIS PONTIAC CO.
319 SO. WALNUT HOPE, ARK.

THE ONLY CAR WITH WIDE-TRACK WHEELS

Wheels are five inches farther apart. This widest only the stance, not the car. Pontiac takes a better grip on the road, hugs it tighter on curves and corners. Sway and lean disappear, ride is smoother, balanced, steadier. Handling is easier. You drive with a new confidence, a comforting security. Pontiac gives you roadability no "narrow gauge" car can offer.

FREE! If you would like a reprint of the complete illustrated article with all the tests and explanation on which Motor Trend Magazine Pontiac is named the 1959 Car of the Year, simply send your name and address on a postcard to Pontiac, Michigan.

Calendar

Thursday, Feb. 26

Ladies Bridge Luncheon for Feb. 26 at the Hope Country Club at 12:30 with Mrs. C. C. Lewis and Mrs. Lloyd Spencer as hostesses.

Cub Scout Pack 92 will have their Blue & Gold Banquet Thursday, Feb. 26 at 8:30 p. m. at Brookwood.

SOCIETY

Phone 7-3431 Between 8 A.M. and 4 P.M.

School cafeteria. The admission will be determined by the cost of the food and will be equally shared by those present.

Parent Education Study Group of Brookwood PTA will have its final meeting of the year Thursday, Feb. 26 at 8 a. m. in the home of Mrs. Cecil O'Steen. They will study the article which appeared in the February PTA magazine.

Cub Scout Pack 62 will meet Thursday, Feb. 26 at 7:30 p. m. at Garland School. Plans will be made for a kite flying contest.

Monday, March 2

Circle 2 of WSCS of First Methodist Church will meet Monday, March 2 at 3 p. m. in the home of Mrs. Charles Harrell with Mrs. L. E. Pollock and Mrs. J. W. Turner as co-hostesses. Mrs. C. D. Lester will have charge of the program. Please remember to bring your Lenten offering.

Circle 6 of WSCS will meet Monday, March 2 at 2 p. m. in the home of Mrs. Max Bolan.

Tuesday, March 3

The Builder's Bible Class of the First Baptist Church will meet Tuesday night, March 3 at 7:30 p. m. in the home of Mrs. J. O. Luck with Mrs. R. M. Jones and Mrs. J. N. Hobbs as co-hostesses. All members and associate members are urged to attend.

Notice

Band Auxiliary meetings have been changed from first Monday night of each month to the second Monday night.

Coming and Going

Mr. and Mrs. Mike Shaw of Sheffield, Ill. are visiting the J. E. Cecil of Hope.

Mrs. Helen Mobley of Bossier City, La. has been visiting her aunt, Mrs. Sally Collier, who is a patient in a local hospital.

Mr. and Mrs. S. L. Murphy had as weekend guests Dr. and Mrs. D. W. Hensley and family of Ben-

ton. Mr. and Mrs. Stephen Murphy and family of Crossett and Capt. and Mrs. Joe Marlinale and son of Kilgore, Texas.

Mr. and Mrs. Bob Trunk and daughter, Leigh of Crossett spent the weekend with Mr. and Mrs. Dewey Camp.

Mr. and Mrs. J. A. McFarly have had Mrs. Wilson Steward of San Angelo, Texas visiting them.

Miss Maude Hayes of Little Rock is visiting her sister, Mrs. K. G. McRae.

McRae Lemley of Washington, D. C. is the guest of his parents Judge and Mrs. Harry Lemley.

Filmland Is Set to Pass Out Oscars

By JAMES BACON
AP Motion Picture Writer

HOLLYWOOD (AP)—The spotlight was on the ladies today in Hollywood's annual carnival of Oscars.

For the first time in years, there was no clear-cut favorite among the nominees for top actress. Not a united hair separates these five:

Elizabeth Taylor (Cat on a Hot Tin Roof); Susan Hayward (I Want to Live!); Deborah Kerr (Separate Tables); Shirley MacLaine (Some Came Running); and Rosalind Russell (Auntie Mame).

With the men, the story is different. David Niven and Spencer Tracy were established as odds-on favorites with Niven given a slight edge in the early betting.

Niven was nominated for his role as the pathetic woman molester in "Separate Tables" and Tracy, up for his third Oscar, was nominated for his one-man show in "The Old Man and the Sea."

Tony Curtis and Sidney Poitier, who went through "The Defiant Ones" handcuffed to each other, are expected to cancel each other out of the running by their well-matched performances.

The fifth male nominee is Paul Newman for "Cat on a Hot Tin Roof."

"Gigi," already winner of awards from the Screen Producers Guild and the Screen Directors Guild, is expected to repeat in the Academy Awards as best picture come April 6.

But competition from the other nominees will be stiff. They are "Auntie Mame"; "Cat on a Hot Tin Roof"; "The Defiant Ones"; and "Separate Tables."

In the supporting categories the nominees for the men are: Theodore Bikel (The Defiant Ones); Lee J. Cobb (The Brothers Karamazov); Burl Ives (The Big Country); Arthur Kennedy (Some Came Running); and Gig Young (Teacher's Pet).

The supporting actress nominees are Peggy Cass (in Auntie Mame); Wendy Hiller (Separate Tables); Martha Hyer (Some Came Running); Maureen Stapleton (Lonely Hearts); and Cara Williams (The Defiant Ones).

Uruguay Only Dictatorship in S. America

Editors note—Alfredo Stroessner rules as the lonely strongman of Paraguay, the last dictator in South America. Associated Press correspondent Joe Maria Orlando after a visit to Asuncion, gives this report of life in the country.

By JOSE MARIA ORLANDO
MONTEVIDEO, Uruguay (AP)—South America's only remaining dictator, is fighting a war of Paraguay, is fighting a war of nerves led by a youthful Roman Catholic priest.

Stroessner's land-locked country of 1 1/2 million people is a land of fear and suspicion, gradually becoming more isolated in a continent where dictatorships have gone out of style.

Thousands of refugee Paraguayans are openly plotting Stroessner's overthrow.

One of the best known revolutionaries is the Rev. Rigdon Talavera, 35, who says, "Some church leaders might disapprove of what I am doing, but in fighting injustice and tyranny I'm within God's principles."

The priest came to Uruguay last November after being expelled for openly preaching against Stroessner's strongman rule. Proclaiming a "National Liberation Front," he has appealed to other refugee Paraguayans here and in Argentina to join his crusade against the 44-year-old dictator.

Father Talavera, son of a wealthy rancher, says his revolt was born while serving as a chaplain in a Paraguayan jail where political prisoners were kept.

"I saw men beat up, or with the burns of an electric wire in expertly used."

The Stroessner government has accused the priest of Communist leanings but he insists: "I'm not a Communist. I'm a Christian as are most of the Paraguayan people. In our Christian hearts, there is no place for an atheist doctrine like communism."

Stroessner, son of a German sol-

Old Vic Co. Presents 'Hamlet'

By CHARLES MURGER

NEW YORK (AP)—The Old Vic Company presented a superb television version of "Hamlet"

on CBS-TV Tuesday night.

An excellent adaptation by producer-director Ralph Nelson and Odette, offered the main elements of William Shakespeare's four-hour tragedy in 75 minutes. They chose to make "Hamlet" a swiftly-paced action drama in 10th-century court style.

The "Dusky" Show of the Month production did not linger over histories. It suggested the meanings of characters that have beguiled readers and theatergo-

ers for centuries. Limited in its playing time, it necessarily sacrificed depth of meaning to intensity of action.

One result, in the opinion of one viewer who saw the company's Broadway production, was that John Neville as Hamlet came off better on television than on the stage. Neville, in the role of Hamlet, lacks the emotional depth of a John Gielgud. But in the decision to play the tragedy on TV as a

fast drama or similar intrigue, there was little time for personality. Barbara Jefford was too hasty for the role of Ophelia. Oliver Neville as Claudius, Margaret Courtenay as Gertrude, John Humphry as Laertes and Joseph O'Connor as Polonius, was capable but not distinguished. However, as a result of brilliant direction and a beautiful production in all-white sets, the play proved to be less important than the play itself.

Rice Upsets Tech; Texas Next for Porks

By THE ASSOCIATED PRESS

Rice, with Tom Robitaille banging in 36 points, upset Texas Tech 34-24 last night and it left Southern Methodist solidly in second place in the Southwest Conference basketball race.

Texas Christian clinched the title last week but the fight for the runner-up spot was hot and heavy.

SMU and Texas Tech started the week tied for second, 3 games back of TCU. But Southern Methodist went to a half-game bulge over Tech as the result of a 56-51 victory over Arkansas Monday night and the Rice upset of Tech made it a full game.

Rice, floundering down in seventh place, wasn't going anywhere but got revenge aplenty for a licking Texas Tech gave it Feb. 9. The Owls shot ahead after 35 minutes and never looked back. Once they held a 35-point lead in the game at Houston.

David Craig backed up Robitaille's big night with 23 points, so the two together got almost as many points as Tech's entire team.

Texas A&M pulled into a tie with Baylor for fourth by whipping Texas 71-61 at Austin. The Aggies used their control game to shut out Texas from the field in the last five minutes. The Longhorns

Final Games in Little League Play

The final two games of the Little League Basketball season will be played at Jones Field House next Tuesday afternoon, March 3 at 4 p.m.

The local games were postponed last Saturday and will be again this Saturday because most of the players involved are participating in games with out of town teams.

Tuesday's games will match the Dirty Dobbers against the Hot Rods followed by the Bo-Diddies playing the Cool Cats.

Parents and basketball fans are invited to come out and watch the Little Leaguers perform.

Otto Graham to Coach Coast Guard

NEW LONDON, Conn. (AP) — Former pro football great Otto Graham today was named head football coach at the Coast Guard Academy.

Graham also was appointed director of athletics.

Rear Adm. Frank A. Leamy, superintendent of the academy, said the former Cleveland Browns quarterback will become a commander in the Coast Guard Reserve with his acceptance of the positions.

Graham will arrive in New London Sunday and begin spring practice sessions on Monday. He replaces Nelson W. Nitchman, who was relieved of the position in November after 12 years at the academy.

Earliest residents of Arkansas probably were the Bluff Dwellers who inhabited parts of the state about 2,000 years ago.

The first newspaper published west of the Mississippi River was published in Arkansas.

had gone to a 37-56 lead before the Aggies clamped down on them.

But while the Aggies won, Jay Arnette of Texas was the big noise at the basket. He flipped in 32 points. Wilmer Cox led the Aggies with 21.

There'll be no more action until Saturday night when Texas Christian plays Southern Methodist at Dallas. Texas A&M and Rice clash at Houston. Texas Tech and Baylor tangle at Waco and Texas and Arkansas battle at Fayetteville.

Legal Notice

NOTICE IS HEREBY GIVEN, That in pursuance of the authority and directions contained in the decretal order of the Chancery Court of Hempstead County, made and entered on the 24th day of February, A. D. 1959 in a certain cause (No. 8131) then pending therein between Alma Noble et al. complainants, and James McFadden defendant, the undersigned as Commissioner of said Court, will offer for sale at public vendue to the highest bidder, at the East door of entrance of the Courthouse, in the County of Hempstead, within the hours prescribed by law for judicial sales, on Friday, the 20th day of March, A. D. 1959, the following described real estate, to-wit:

TRACT #1: A parcel of land situated in the City of Hope, Arkansas, and described as follows: to-wit: Start at the NE corner of the SW 1/4 of Section 33, Township 12 South, Range 24 West, and run South with the land line 880 feet; thence West about 489 feet to the East line of Walnut Street in the said City of Hope; thence North with the East line of said Walnut Street 220 feet to the point of beginning; Run thence east 168 feet; run thence south 80 feet; run thence west about 157 feet to the East line of Walnut Street; run thence north with the East line of said Walnut Street 80 feet back to the point of beginning.

TRACT #2: ALSO, a parcel of land situated in the City of Hope, Arkansas in Lot 1 in Block 10 in Beard's Addition to the City of Hope, Arkansas, 89 feet East and West and 50 feet North and South, and being the parcel of land purchased by Margaret McFadden from the State of Arkansas, for taxes due, which Tax Deed is recorded in Book 203, page 279, in the Recorder's Office within and for Hempstead County, Arkansas.

TERMS OF SALE: On a credit of three months, the purchaser being required to execute a bond as required by law and the order and decree of said Court in said cause, with approved security, bearing interest at the rate of 6 percent per annum from date of sale until paid, and a lien being retained on the premises sold to secure the payment of the purchase money.

Given under my hand this 24th day of February, A. D. 1959.

J. P. BYERS

Commissioner in Chancery.

Feb. 25, Mar. 4, 1959

BEGINNING TO THAW

Top 3-Year Olds Run at Spa Today

HOT SPRINGS, Ark. (AP) — A full field of three-year-olds, including several prospective nominees for the Arkansas Derby, will compete in the featured \$3,000 Little Rock Purse at Oaklawn Park today.

Heading the 14 horses named for the six-furlong allowance event is G. M. Hollister and Doug Davis Jr. Bernmatter, full brother of Bernburg, the stakes performer.

Bernmatter, son of Bernborough-Mattar, has been assigned equal topweight of 122 pounds with R. G. Burns' Steno Bill, Leo Cal-louette's Lucky Page, Winston Neil's Colonel Patch, Mrs. M. Ross Big Bonnie and Mrs. Emil Denemark's pair — Cape Ivory and Flight Pitch.

Others entered are H.H. Mundy's Window Fan, Earl K. Carey's Willow Blend, E. E. Carter's Beggar Boy, Mrs. J.M. Smrker's Princess Joy, F. E. Harpers Ginos Dream, Mrs. L. Allen's Pasu and H. Bennett's Dahlia.

Willow Blend and Ginos Dream are the only non-winners in the race, fashioned for horses with not more than one victory.

A secondary event will be the eighth race, a \$2,600 claiming purse for 4-year-olds and up, named the Lynx Eye in honor of the stretch runner of that name who captured the fancy of Oaklawn fans back in 1934 and 1935.

Lynx Eye was known as "the Hindo of Oaklawn" because of his peculiar liking for the Oaklawn track.

Yesterday's featured \$3,200 event was captured by Frank Haynes Aracado, who sped to the front in the stretch and downed seven rivals.

The six-year-old bay gelding barely stayed off the challenge of H. H. Mundy's Prioply, who rushed down from fourth and finished only a neck short of the winner.

Lawrence H. Thompson's Ego, an even money favorite, took the lead momentarily in the stretch drive but fell back to third.

Aracado was ridden by Joe Valde and traveled the six furlongs of good track in 1:12 3-5. The payoff was \$10.00, \$5.20 and \$3.40.

The crowd of 7,283 bet \$396,216.

Hospital Board Hits Back at Spa Judge

HOT SPRINGS, Ark. (AP) — The Board of Directors of Ouachita General Hospital filed a writ of mandamus in Garland Circuit Court yesterday seeking to restrain County Judge H. C. Warren from any further moves in his efforts to oust the board.

Petition for the writ also asks Circuit Judge P. E. Dobbs to force Warren to disqualify himself in connection with any hearings in controversy.

Plaintiffs in the suit are Board President Hill Wheatley, and board members Devere Dierks, J. M. Reed, M.M. Hilton, Mose Holliman, John Lowrey and the Rev. O. L. Beyless.

Warren, who was named defendant in the litigation, has scheduled a hearing for 2 p.m. Friday and has summoned the board to answer why it should not be removed because of alleged misconduct.

The County judge called on the

Matter of FACT

The history of glider flight starts with George Cayley, who began to make models in 1804. His largest glider, weighing 140 pounds, could make glides from hilltops, but he never built one large enough to carry a man. If he had had some sort of light engine, Cayley might have made an airplane 100 years before the Wright brothers.

MEAT EATERS—Argentinians are the biggest red meat eaters in the world (see drawing). Per capita consumption there was 242 pounds in 1957. The United States produced 28.5 per cent of the world's red meat (beef, veal, pork, mutton, lamb, goat and horse meat) in 1957, but garnered only fifth place in consumption. Of the 43 countries listed by the U.S. Agriculture Department, Japan ranked lowest. Russia's average per person was believed to be around 53 pounds.

KNEE-ACTION—Showing no signs of a knee injury that had confined her to the hospital, actress Debbie Reynolds takes a stage direction from Frank Tashlin. She is rehearsing for a scene in the movie "Say One for Me."

Little River county replied:

"A contractor figures his job on a certain wage scale. Then he comes in and hires cheap labor and puts the difference in his own pocket."

The House agreed with him 57-32.

A bill to fix terms of municipal

officeholders at four years was rejected in the House yesterday. One leader of the opposition said, "Only officeholders have approached me in support of it. I haven't heard from the people on this at all."

And the House backed down on an amendment it had tacked onto the mammoth new state insurance code bill and which the Senate had refused to accept. This amendment would have enabled cities to levy a privilege tax on insurance agents.

With the House action, the bill

Falls Three Floors, Dies From Injuries

HOT SPRINGS, Ark. (AP)—Roy Hendrickson, 50, of Butler, Mo., died at a hospital today of injuries suffered when he apparently fell from a third floor window of a downtown hotel here.

Police said Hendrickson was found beneath the window and

now goes to Gov. Orval E. Faubus.

Charges Witness Offered a Bribe

WASHINGTON (AP)—The Senate Labor-Management Committee charged today that underworld figures tried to bribe a witness by arranging for him to win newspaper crossword puzzle contests carrying big cash prizes.

Robert F. Kennedy, committee counsel, refused to name any of those involved. He said the witness rejected the offer.

Kennedy did not explain how anyone could arrange such a deal to win the puzzle contests by various newspapers in the United States.

Kennedy said the committee has turned over its information to the FBI and to state law enforcement agencies.

Involved, he said, were "some ties between the West Coast and Detroit and certain other Midwestern cities."

Higher Pay Plan Is Turned Down

LITTLE ROCK (AP)—The Legislative Joint Budget Committee yesterday turned down a revised salary schedule that would have meant higher pay for some staff members of the seven state-supported colleges.

Perry Rep. Paul Van Dalsen blocked a recommendation for passage. He said he did so in the hope that his action would get him support from the seven colleges to prevent University of Arkansas employees from getting higher salaries.

The other six committee members present voted in favor of the revised salary schedule. Seven votes were necessary for passage. Sen. Tom Allen of Brinkley, who

died several hours later.

Hendrickson, operator of an auto supply store at Butler, registered at the hotel Feb. 12. He was alone.

Officers said the door to his room was locked and a rope made of two bed sheets hung out of the window. They estimated he fell at least 20 feet.

A coroners verdict was withheld pending completion of an investigation.

Survivors include the widow.

Macmillan Ends

Continued From Page One

posals for a foreign minister meeting on Germany, led to the coolness in the talks with Macmillan.

There was no explanation for Khrushchev's absence when Macmillan took off for Kiev and a three-day visit to the Ukraine and Leningrad, Dep. Foreign Minister Vasily Kuznetsov and Jacob Malik, Soviet ambassador to London, accompanied Macmillan.

Paris Fashion Back to the Natural Line

By NADEANE WALKER

PARIS (AP)—The American woman has final proof today that fashion is really back to normal in the release of the first pictures of the new Paris creations.

The "natural line" which swept the spring showings like a refreshing and welcome breeze is centered on a normal waistline. Gone are the designers hope forgotten — are the sacks, chemises, trapezes and all silhouette exaggerations.

Skirts are longer than last season, but not much. At least they cover the kneecap, usually with a couple of inches to spare.

Paris high fashion houses have seldom been so united and single-minded about a new style. When the reason got under way with small, belted waists and a natural silhouette in the Heim-Patou and Cardin shows, the trend was firmly set. Laroche, Balmain, Lanvin, Castillo, Matia and the others fell into step. Still, some experts wondered if Dior's young designer Yves Saint Laurent would follow.

He did, and unofficially christened the season's silhouette when he named his own version the "natural line." The other houses must have breathed a sigh of relief.

What the spring styles may lack in breath-taking originality, they make up in pure figure flattery. These are clothes for everybody, becoming to good figures, kind to bad ones. No woman needs to have second doubts about stepping out in dresses and suits that minimize the waistline and soften the bust and hips.

News Briefs

HOT SPRINGS, Ark. (AP) — A possible showdown in the Ouachita General Hospital board dispute has been put off again by new legal developments.

Circuit Judge P. E. Dobbs yesterday instructed both sides to submit briefs on the question of whether he has jurisdiction to prevent County Judge H. C. Warren from acting.

HOT SPRINGS, Ark. (AP) — A possible showdown in the Ouachita General Hospital board dispute has been put off again by new legal developments.

Circuit Judge P. E. Dobbs yesterday instructed both sides to submit briefs on the question of whether he has jurisdiction to prevent County Judge H. C. Warren from acting.

Warren seeks to remove the board members from office. Dobbs set a March 5 deadline for the briefs to be submitted. That postponed a court hearing scheduled for Friday in which Warren intended to make public a citizens committee report on the hospital.

LITTLE ROCK (AP) — The General Waterworks Co. received permission from the state Public Service Commission yesterday to give some stocks as dividends to its stockholders and to sell 20,000 shares of a new series of stock.

AIDC Gives Account of Its Finances

LITTLE ROCK (AP)—The Arkansas Industrial Development Commission has spent \$241,000.81 of its maintenance appropriation for the current fiscal year and has \$401,439 for the remaining four months of the period, records at the state auditor's office show.

AIDC Executive Director William P. Rock said the heavy expenditures were no surprise. He said the AIDC knew earlier it would have to operate on a reduced budget for remainder of the year. He said the heavy outlay was in two major items—about \$40,000 for remodeling and furnishing new AIDC offices in the Capitol and about \$40,000.00 to print an encyclopedia of three volumes designed to encourage industries to locate in Arkansas.

The accelerated AIDC spending caused a near overdraft in the Development and Promotion fund, from which the commission and several other agencies receive their money. The auditor's office held up two checks, including one for \$23,000 to Thomas C. Hocker-Smith and Associates for national advertising ordered by the Publicity and Parks Commission, to avoid the overdraft. The fund will get a new allocation of \$20,400 tomorrow, permitting release of the checks.

proposed the pay revision, said it would not have raised the colleges' total appropriation but merely would have allowed the institutions to redistribute their funds.

Van Dalsen said he was strongly against increasing pay of professors either at the college or the University of Arkansas.

He said he would introduce a bill to block a measure approved by the Budget Committee last week that would authorize higher pay for employees of the university.

House Goes Along With Housing Bill

By B. L. LIVINGSTONE

WASHINGTON (AP)—House Democrats shrugged off veto warnings today to push toward House action a \$2,075,000,000 federal housing bill going far beyond President Eisenhower's proposals.

The wide ranging House measure was approved by the Banking Committee late Wednesday over little Republican efforts to cut it back in line with the administration's more modest \$1,000,000,000.

C. O. Temple, Hope.

Bobcats to End Home Season This Weekend

The Hope Bobcats will entertain a strong Hot Springs team here Friday night and will turn to district play Saturday night against the Fairview Cardinals. This will be the final home game of the season for Hope.

Currently Hope is third in the district standings and could win a berth in the state playoffs. The district sends three teams. Smackover with a 9-1 record is first and Magnolia with 8-2 is second. Hope's record is 7-4 and Fairview with 5-5 is just behind. Camden has a 4-6 record. Crosscross 4-7 and Arkadelphia 0-12.

In the scoring department Barker of Smackover has ousted Hope's David Watkins from the lead with 190 points. Watkins has 187 and Johnson of Magnolia is third with 167.

U. S. Foreign Policy Problem Rings Earth

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP)—While Secretary of State John Foster Dulles fights cancer—and the world awaits the outcome—American problems in foreign policy ring the earth.

Dulles is able to read newspapers and magazines and while it is no doubt comforting to him, it probably also strikes him as ironic that after all the criticism he has drawn in his six years in office, he is now being lavishly praised.

The praise ranges from mild to exclusive including the suggestion that he is indispensable. Looked at coldly the word "indispensable" is a little less than realistic when applied to any man. If tomorrow Dulles decided he no longer could do his job and resigned, some one would have to take his place. No matter how valuable a secretary has been, this country has long been accustomed to acquiring a new secretary every time a new administration takes office.

True, Dulles has so completely dominated and handled American foreign policy that no one could now just step in and take over without some hitches strains and delays until he could master what the secretary of state needs to know. Most of the talk so far about whether or not Dulles will continue in office, or have to retire, seems to be a conversation piece.

It may be some weeks before either Dulles or his doctors can know whether he will be able to resume his job full-time, part-time, or not at all. Meanwhile there are problems that need continuing attention.

First and foremost: What to do

Blevins' District Champions

West Fear of Spring Berlin Crisis Build

By JOHN M. HIGHTOWER

WASHINGTON (AP)—Western fears of a dangerous Berlin crisis late this spring are beginning to build up again under the impact of Nikita Khrushchev's oratory. Unless the Soviet government can be drawn into high level negotiations on German issues in the next two or three months, authorities here are not sure what may happen. But they see an increasing possibility that in its present cocky, confident mood the Soviet premier may try some extremely risky moves.

United States officials still cling to the hope that Khrushchev will agree to a foreign ministers meeting for late April or early May. His speech in Moscow Tuesday rejecting negotiations about German reunification does not constitute a real answer to the Western proposal of Feb. 18 for a Big Four session, informants said.

But President Eisenhower's rather gloomy appraisal of the outlook at his news conference Wednesday seemed to reflect a growing uncertainty over the possibility of actually getting serious negotiations started.

Eisenhower said Khrushchev about the Soviet demand that the Allies get their troops out of West Berlin and leave it a free city. Unless handled right, the West's whole position in Germany could crumble.

The West is bracing itself for a showdown on Berlin, perhaps around May 27. As late as Tuesday Soviet Premier Nikita Khrushchev was being tough and unyielding, despite Allied proposals for a foreign ministers conference to talk about it.

In the background, always, is the continuing problem of how to cope with Red China's growing strength and its inevitable influence on all Asia where the United States has built up alliances which have hardly been tested yet.

America's relations with its friend, the Philippines, have deteriorated and need fixing. Then there's the task of trying to help India, with its bursting population and extremely low living standards, to improve its economic conditions.

Moving west a bit, there is the still unsolved problem of trying to get along with President Nasser of Egypt and keep him out of the class of communists.

In Iraq, which had been closely tied in with the United States until a revolution destroyed both King Faisal and his regime, the Communists, and through them the Soviet Union have steadily gained influence.

At this moment there seems a genuine puzzle over Iraq—whether or not it may go Communist. If it does, the U.S.S.R. will have gained its first indisputable foothold in the Middle East.

Such an event would call for a complete rearrangement in the thinking of the Arabs and the West. To say it would cause a convulsion in the area seems mild.

Right next door is another American friend, still friendly: Iran. The task here is how to keep it friendly and help it resist Soviet threats and pressure.

Behind the upcoming crisis on Berlin, of course, is the old problem for the United States and its allies of how, in a way satisfactory to them, West and East Germany can be unified.

Tuesday Khrushchev brushed the Western Allies aside, saying the question of reunification could not even be discussed by the United States, the Soviet Union, Britain and France. He said it is a question for the "two German states themselves."

All these enormous burdens, awaiting solution, are on the shoulders of Dulles who is 71 years old today and fighting for his life against cancer.

Tourney Picks Revised in Coast Loop

By DON WEISS

Associated Press Sports Writer
Next week's Atlantic Coast Conference basketball tournament, a tabloid show-in for Frank McGuire's North Carolina Tar Heels a week ago—looks now as if it'll be a coin-toss-in donnybrook.

A reassessment is in order for the scrambling that picks the ACC's representative to the NCAA Tournament after Virginia's startling 69-68 victory over North Carolina Wednesday night—the Tar Heels' second blunder in a row.

Before they dropped a 69-51 shocker to Maryland last Saturday, North Carolina was No. 1 in the nation, unbeaten—and apparently unchallenged—in the ACC. North Carolina State, the only other club in Carolina's class, had lost twice to the Tar Heels and was no NCAA threat because of probation.

Now in five days, McGuire and his Tar Heels have lost the top national rating—to Kentucky; lost the ACC lead—to N.C. State; and have dropped two in a row to such as Maryland, which has won only 9 of 21, and to Virginia, with a 9-13 record.

Maryland, looking better with each game, whipped Georgetown (DC) 67-56; Louisville celebrated its all-time victory over the NCAA with an 83-68 romp over DePaul; NIT-bound Fairham went into overtime to beat Rutgers 79-72; LaSalle improved its tournament chances with an 85-67 rout of West Chester (Pa.), and Temple snapped a nine-game losing streak, beating Penn 75-69 in other features.

Big Jon Cincebox fired in 27 points and took 18 rebounds as Syracuse made it four in a row for an 11-9 record in a 79-73 decision over Canisius.

Toledo downed Mid-American Conference foe Kent State 65-54, and New Hampshire won its first Yankee Conference game after nine losses, beating Massachusetts 8-7. Boston University's record rose to 10-5 in a 78-45 victory over Tufts, and Lafayette—down 10 points with nine minutes left—rallied to topple Bucknell 89-80 in overtime.

Hot Springs Gambling Bill Is Offered

LITTLE ROCK (AP)—A bill to legalize all forms of gambling in Hot Springs was ready for quick action in the Arkansas Legislature today.

The controversial proposal—almost certain to draw strong opposition—was introduced in the Senate late yesterday by Sen. O. Byrum Hurst of Hot Springs. After a brief skirmish, Hurst succeeded in having the bill placed on the calendar which means it can be called up for a vote anytime.

At present, only parimutuel betting on horse races is legal in Hot Springs but Hurst's bill would enable 15 per cent of the qualified electors of Garland County to petition for a vote on the question of permitting other forms of gambling.

The bill also proposes the creation of a State Gaming Control Board to regulate localized gambling and control such operations. Hurst estimated permit fees and taxes levied under provisions of his bill would bring in three million dollars a year which, the bill directs, would be paid into the general revenue fund.

The bill sets up a sliding scale of license fees on gambling operations ranging from \$1,000 on places operating one game to \$8,000 on places operating eight to 10 games. Additional fees would be imposed on card games, slot machines and racing wins services.

Cities and counties also would be permitted to levy taxes up to one-half of the state total on such operations. Hurst said the bill would affect only Garland County because it directs that it shall apply only to counties where wagering of any kind is legal under the state constitution.

Betting also is permitted at a dog track in West Memphis but this was accomplished by an act of the Legislature and is not part of the constitution.

Labels Pin Ball Machines a Racket

LITTLE ROCK (AP)—Curtis R. Mathis, director of the Internal Revenue Service for Arkansas, labeled the pinball machine business a "vicious racket" today. Mathis said he would like to see laws which prohibited use of the machines in this state.

He made the statements in commenting on a current Little Rock controversy over the machines. There have been reports many of the devices are used for gambling in violation of state law.

The Little Rock Board of Directors may take up the matter at a meeting soon. Mathis said it was hard to spot pinball machine gamblers because operators accept bets only from players they know personally.

But he added that he could not see "very much use for conferences" or much promise for negotiation if the present Soviet attitude continues.

Trimble Will Fight for Fort Chaffee

WASHINGTON (AP)—Rep. J.W. Trimble (D-Ark.) intends to go before a congressional subcommittee soon with a demand for keeping Ft. Chaffee open.

Trimble said yesterday the Army's plan to close the big post near Fort Smith, Ark. is untenable because of the increasing gravity of the East-West split over Berlin.

He and Rep. Overton Brooks (D-La.) will testify before the Military Appropriations Subcommittee, Ft. Polk, La. also is on the Army's list for inactivation.

"The Berlin situation is so serious that it is ridiculous to shut down two training camps," Trimble declared.

The two congressmen will insist that the subcommittee provide enough money to retain Army manpower at 900,000 men and also will request that the appropriation bill contain language making it mandatory that the two posts be kept open.

Secretary of the Army Wilbur Brucker recently informed congressmen from Arkansas and Louisiana that the shutdown order would stand. The two forts are being deactivated gradually.

"But we'll already have our scrap under way before they have been completely closed," Trimble asserted, "and it shouldn't be much trouble to move troops back in."

President Eisenhower's reduction of the Army from 900,000 to 875,000 men led to closing orders last fall for Chaffee, Polk and several other military installations. Several date for closing is June 30.

Delegations from Arkansas and Louisiana recently urged Brucker to reconsider the closing order and he agreed to study the request.

Then he notified the two state's congressional delegations that he would go through with it. Trimble conceded recently that even if Congress enacted legislation restoring the size of the Army to 900,000 men, the President could disregard the directive and refuse to spend money for the additional personnel.

The Senate last year wrote just such a proviso into its defense appropriation bill. But the proviso was knocked out by a Senate-House conference committee which prepared the final version of the appropriation measure.

Meanwhile, Trimble has put Fort Smith in the running as a possible site for a new tri-state reserve headquarters.

Trimble said he has urged the Army to locate the headquarters at Fort Smith and that he has been assured the city is among several under consideration.

His principal argument to the Army, he said, is that every effort should be made to locate installations in the Fort Smith area since it plans to close Chaffee.

Trimble said the reserve headquarters, while not a large facility, would serve reserve components in Arkansas, Louisiana and Oklahoma. It probably would have about 300 personnel, he said.

Thought For The Day:

We always have time enough, if we will but use it right — Goeth.

Calendar Of Events

Thursday, Feb. 26
All children participating in the Easter program are asked to meet at the church Thursday, Feb. 26, at 4:30 p.m.

Friday, Feb. 27
The Usher Board of Mount Zion CME Church will meet in the church at 7 p.m. Friday. All members are asked to be present.

Saturday, Feb. 28
The Youth Improvement Committee will be trying to beautify the City Park, Saturday, Feb. 28 by setting out trees. The committee is composed of Floyd Turner, Ray Newton, L. D. Scott, James McDonald, Luther Burton, James Keys, John Dennis and Clifford Taylor.

Linda Johnson, Delois Brown, Dorothy Flency, Shirley Keels, Bernis Straughter, Winfree Braggs, Misses Ruth Garland, B. L. Britton, M. V. Minor and Mrs. Velma Smith will be chaperones.

Anyone interested in helping on this project should contact Roscoe Smith, City Park supervisor.

Monday, March 2
The Christian Union Community Club will meet March 2 at the regular meeting place. All members are urged to be present.

Personal Mention
Rev. J. S. Morgan, pastor of Bethel A.M.E. Church, has been admitted to a Little Rock hospital. Cards should be sent to 1802 Brown St., Little Rock, Ark.

McNab News
Mr. and Mrs. Elijah B. Watson and son Bennie of McNab are visiting his father, Ben Watson in Los Angeles, Calif. and their daughter, Mrs. Walter Taylor and family of San Diego.

Mr. and Mrs. Charles Watson of Red Water, Texas were guests of Miss Jeanette Raglan and the Watson family on Saturday.

Mr. and Mrs. Frank Stuart and daughters of Texarkana were the Sunday guests of Miss Louise Watson and attended a birthday party in her honor. Other guests included Miss Jeanette Raglan, Dorothy Watson, Ellen Marie Watson, Miss Mary Ann Griffin of Oklahoma City, Okla. and Elijah Watson.

Blossom Offered San Antonio Job

SAN ANTONIO (AP)—Trustees of the North-East Independent School District have agreed to offer Virgil Blossom, former Little Rock school superintendent, a contract under which he would take over operation of the district July 1.

Formal action was scheduled for a meeting today. The decision was made at an informal meeting of the board Tuesday night. Trustees said they had so far been unsuccessful in reaching Blossom.

At Little Rock, Blossom said he had not heard from the Texas officials and did not want to comment until he received notification from them.

Still to be negotiated is the question of salary. Amounts mentioned have ranged from \$14,000 to \$20,000 a year.

The trustees have been unable to agree on a proposal to buy up their contract with the present superintendent, William C. Reuder, with whom the board majority has been feuding.

GO HANG—This is the latest for executive offices, a leaning strap. It was designed by Jack Waldheim and Earl Koepke, of Milwaukee, Wis. It is supposed to revive tensions and provide muscle stretching.

EARLY CASTING — Lew Burdette had a bad World Series last fall, but he'll be back for more this spring. Meanwhile the Milwaukee right-hander gets in a little fishing at Sarasota, Fla.

Mrs. Luce Named Envoy to Brazil

WASHINGTON (AP) — Clare Boothe Luce, former envoy to Italy, was nominated by President Eisenhower today to be ambassador to Brazil.

In Rio de Janeiro, Mrs. Luce would succeed career diplomat O. O. Briggs who will be assigned later to a new post.

Mrs. Luce served as ambassador to Italy from 1953 to 1957. She retired from that post because of ill health.

Mrs. Luce, who will be 56 on April 10, is the wife of Henry Luce, publisher of Time, Life and other magazines.

A Republican, she served in the House of Representatives from Connecticut 1943-47.

A playwright and author, Mrs. Luce's home is at Ridgefield, Conn.

Painting Damaged by Acid Thrower

MUNICH, Germany (AP) — A Rubens painting was badly damaged today by an acid throwing man who sent a reporter a letter warning he was about to strike in the famed Alte Pinakothek Gallery.

The reporter called police and the gallery but it was too late. Rubens' great "Descent from the Cross" painting, already smeared with acid, is being looked at by the 17th Century Flemish master's painting said they doubted if the work could be restored.

No one had seen the acid thrower.

The letter writer identified himself as "Walter Menz, Free Philosophical Institute." The letter said in part:

Dulles Looking Forward to Duty

WASHINGTON (AP) — Secretary of State John Foster Dulles' personal secretary said today he was looking forward to resuming his duties.

Miss Phyllis Bernau said that at a birthday party Dulles told her he expects to recover sufficiently from cancer to get back on the job.

Miss Bernau and others of Dulles' immediate office staff gave him a 71st birthday party at Walter Reed Medical Center Wednesday.

Dulles is undergoing X-ray treatments there for abdominal cancer. President Eisenhower has said it is up to Dulles to decide after the treatment ends, probably in a week or two, whether he is physically able to carry on.

Miss Bernau, who is from Milton, Mass., has flown 250,000 miles with Dulles on his globe-circling missions, he said she was confident that the ailing secretary will get back on his job.

At the close of the meeting the hostesses served a dessert course and coffee.

Mrs. Yandey Entertains Bolivia Club Friday

Mrs. Jim Yandey entertained the 1959 Bolivia Club with a dessert bolivia on Friday at her home. A variety of spring flowers in graceful arrangements were placed at points of vantage in the party rooms.

High score honors were won by Mrs. Imen Gee.

Guests were Mrs. T. E. Logan, Mrs. Wren Scott, Mrs. Fred Powell and Mrs. Clyde Marsh. Other members included Mrs. C. G. Gordon, Mrs. J. B. Hesterly, Mrs. Homer Ward, Mrs. E. M. Sharp, Mrs. J. V. Fore, Mrs. W. P. Cummings and Mrs. A. W. Hudson.

Tri-Service Club Has Buffet Supper in Guthrie Home

Members of the Tri-Service Club entertained with a buffet supper on Friday evening in the home of Mr. and Mrs. Adam Guthrie Jr. honoring their husbands. Lovely arrangements of spring blossoms were placed at vantage points in the living room. Co-hostesses were Mrs. Jim Morris, Mrs. Bill Ward, Mrs. J. W. Oates and Mrs. Dick Bright.

The serving table was covered with a madina cutwork cloth and centered with an arrangement of red, white and blue chrysanthemums carrying out the George Washington motif.

Following the supper Lt. Andy Donahough, guest of Mr. and Mrs. Jim Morris, entertained with guitar numbers and sang several ballads.

Other present were Mrs. Gene Hale, Mrs. Miriam Adam, Mrs. John Pittman, Mr. and Mrs. Bob Reynolds, Mr. and Mrs. Dudley Rouse, Mr. and Mrs. J. R. Bemis, Mr. and Mrs. Bob Yarbrough, Mr. and Mrs. Earl Eppler, Mr. and Mrs. C. R. Gray and husbands of the hostesses.

Kiwanis Club See Pictures

The Prescott Kiwanis Club held its regular dinner meeting at the Broadway Hotel, Thursday at 6:15 p.m.

Program chairman Ernest Jamieson introduced the speaker Hosa Sheppard who gave an interesting talk on his recent trip to England, France, Italy and Germany and showed pictures taken on the trip.

The club wishes to remind every one that February is "Heart Month" and to send in their contribution to Jeff Livingston.

Visitors were Arthur Wilson of Onenita, N. Y., Bob Robertson of Little Rock, A. E. Pearson and

Mule Starts Trek to Pine Bluff

MAGNOLIA, Ark. (AP)—A mule and rider started out from here today on a trek to Pine Bluff to herald entry of the Southern state College Mulardier team in the NAIA basketball tournament there this weekend.

The mule is Optimaggle, the school's famous mascot, and the rider is Thomas Walters of Camden, president of the student body. Accompanying them was a party of 12 other students and a mule sub mascot, Dolphus. Plans are to camp out on the road, and to end the 100-mile march at Pine Bluff by noon Saturday.

The possibilities of mule-napping — as has happened in the past — is present in such a journey out Walters said. "We can take care of Optimaggle and ourselves. We'll have somebody riding shotgun if necessary."

If some honeybees produce no honey, they are still valuable for pollination services.

Dr. Charles Hesterly.

Mrs. C. R. Gray has returned to Newport after a visit with Mr. and Mrs. C. R. Gray Jr., who accompanied her home.

Mr. and Mrs. C. O. Wahquist spent Sunday in Little Rock with Mr. and Mrs. Woody Wahquist. Their granddaughter Deborah and Diane, accompanied them home for an overnight visit and were accompanied home Monday by Mrs. Wahquist.

Mr. and Mrs. Hansel Herring and Mrs. T. A. Lavender spent Sunday in Van Buren with Miss Mary Jewelle Herring.

Mr. and Mrs. Warren Payne and children were guests Sunday of Mr. and Mrs. Eddie Danner in Arkadelphia.

Mr. and Mrs. Saxon Regan have as their guests, Mr. and Mrs. Cleve Plank of Minneapolis, Minn.

Mrs. Florine Buchanan has returned from a weeks visit with Mr. and Mrs. Paul Buchanan in Magnolia.

Charles Yarbrough, student at Centenary College, Shreveport, spent the weekend with his parents Mr. and Mrs. Bob Yarbrough.

Dr. and Mrs. O. G. Hirst were weekend guests of Mrs. C. D. McSwain in El Dorado and attended the Camellia Show at the Ymca.

Mr. and Mrs. Bob Haynie and Lois Carol of Little Rock visited Mr. and Mrs. Lloyd Haynie and Mrs. Brad Hamilton during the weekend.

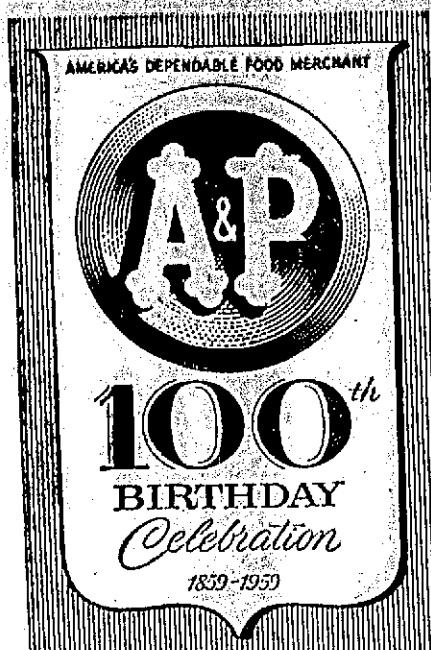

Weekend guests in the home of Mr. and Mrs. Wallace Purdie were Mrs. Philip Deaton of Sparkman and Wyndell Deaton, a student at Ouachita Baptist College, Arkadelphia.

Mrs. J. B. Ritchie spent a part of last week in Little Rock.

Dr. and Mrs. Jim Gentry Thomas and sons, Jim and David of Little Rock spent the weekend with his parents, Mr. and Mrs. Charlie Thomas.

Mr. and Mrs. Harold Ingram, Jerry and James Harold were the weekend guests of relatives in Hot Springs.

Committeemen Not Bound by Party Loyalty

LITTLE ROCK (AP)—A bill to free Arkansas' presidential electors from any party loyalty lies in casting their ballots had cleared the state Legislature today and awaited action by Gov. Orval E. Faubus.

Only three votes were cast against the bill as it passed the Senate yesterday. It previously had won speedy approval in the House.

States rights leaders in the General Assembly said the bill would be a big weapon in enabling the state's presidential electors to vote for a nominee acceptable to the South.

Sen. Sam Levine of Pine Bluff, the only senator to speak against the bill, said it would "disfranchise 800,000 people in Arkansas."

Sen. C. F. (Rip) Smith of West Memphis, sponsor of the bill in the senate, said its objective was to get "some southern Democrats up there at the national party convention who won't vote like northern liberal Democrats."

Under present Arkansas law, names of candidates for president and vice president appear on the ballot along with names of electors for each party. The new bill would provide that only the electors' names be on the ballots, leaving them free to cast their votes for any nominee of their choice.

Arkansas has eight electoral votes and leaders in the Legislature said these could be leaned up with those of several Southern states which have passed similar laws.

The Senate also stamped its approval on a bill empowering school boards to hold official meetings, even if members had been jailed for failure to comply with a federal court integration order.

This bill, too, has been passed by the House and now goes to the governor.

And the Senate received a bill which indicated that the administration may reach a compromise on its controversial plans to increase revenues for the state Highway Commission.

This new bill, by Sen. J. Lee Bearden of Leachville, would increase truck licenses an average of 22 cents per hundred pounds on a sliding scale. However, it provides for no increase in auto license fees.

Earlier, Senator Bearden had introduced a bill hiking both auto and truck tags and the idea met with considerable opposition.

Bearden estimated this new proposal would bring in about two million dollars per year, a figure far short of the amount the Highway Commission has said it needs

to match available federal funds. Meanwhile, the House wrangled at length before it approved a 449-page bill to recodify the state's insurance laws. Delaying tactics by a small group of opponents threw the House into turmoil on two occasions and prompted Speaker E. C. Fleeman to call recess "to let tempers cool."

Rep. W. H. Thompson of Polk County, one of those who opposed the bill, insisted it be read in full. The representatives hooted and jeered.

Said Rep. Marcus J. Howell of Phillips county:

"This bill is a lot like religion. You have to take it on faith."

In the end, the vote was 32 to 5 for passage of the bill which, because of minor amendments tacked on in the House, now must go back to the Senate. It had passed the Senate earlier after a detailed explanation of the bill by a West Coast insurance attorney.

The House also approved a bill setting up a system of state aid roads in the counties. It will not be come effective, however, until a state aid road fund is created and this is not considered likely at this session of the Legislature.

The Senate completed action on, and sent to the governor, a bill permitting Arkansas to deduct cigarette taxes in computing their federal income tax returns. This is accomplished by designating the tax as a direct levy on the smoker.

And it also approved a bill requiring party affiliation or preference to be shown on poll tax receipts. Residents refusing to state their party affiliation would be designated as Independents.

Stock Market Is Irregular

NEW YORK (AP)—The stock market sagged irregularly under renewed profit taking early this afternoon. Trading was fairly active.

Gains and losses of key stocks went from fractions to about a point.

Studebaker-Packard was off around a point and American more than that.

Zenith showed a net advance of a point or more.

Thiokol clipped a point from an early 3-point rise. General Tire advanced more than a point.

Lone Star Cement rose about a point.

Kennecott clipped more than a point from its 3 rise of Tuesday.

Gains of a point or so were scored by Merck, Goodrich and Raytheon.

Chesapeake & Ohio lost more than a point. Du Pont fell more than 2. U. S. Steel and Republic Steel were 1-point losers.

U. S. government bonds were unchanged to slightly higher.

Asks Split of GM From Its Finance Corp.

WASHINGTON (AP)—A banker and spokesmen for auto finance companies urged congress today to divorce the giant General Motors Corp. from its wholly-owned subsidiary, General Motors Acceptance Corp.

They also told the Senate Anti-trust and Monopoly Subcommittee that all other automobile manufacturers should be barred by law from engaging in financing of re-

tail auto sales or automobile insurance.

Charles B. Whiteside, vice president of the Merchants' National Bank of Fort Smith, Ark., said in prepared testimony that GM and GMAC have "practically monopolized the sales financing and insurance of General Motors dealers."

Whiteside said despite past and current antitrust actions, General Motors has "power of business, life or death over each of its dealers."

Officials of independent auto finance companies joined Whiteside in contending they have been unable to obtain any volume of business on sales of GM cars at wholesale or retail.

Whiteside and earlier witnesses said they are confident that both Ford and Chrysler, other members of the "big three" in the auto industry, soon will set up their own finance and insurance companies unless GM is forced to divorce or liquidate its profitable subsidiaries.

If this happens, Whiteside said "independent finance companies and banks will be out of the motor vehicle finance business for a practical purpose."

Paul Jones, president of the American Security Co. of Marion, Ind., testified that "a shocking amount of coercion existed" in auto financing prior to federal antitrust actions against a trio of makers that began in 1938.

He told of GM dealers who formerly used his finance com-

pany but were forced to give up their franchises or shift to GMAC and its GM insurance subsidiaries.

Jones said a 1932 consent decree which allowed GM to continue GMAC "made them inpregnable to competition."

He added:

"General Motors has the power, if it wished to turn it on, to completely crush all competition, not only the independent manufacturers but undoubtedly Chrysler and perhaps even Ford."

Francis J. Conway, president of the Thorp, Wis., Finance Corp., said proposed legislation with this objective would "neither require GMAC to quit business nor limit its competitors in the struggle for automobile financing business."

Child 2, Becomes a Big Smoker

PEORIA, Ill. (AP)—A 2-year-old Peoria boy about a month ago picked up a lighted cigarette and smoked it. Next day he wanted another. He got it.

Now the little tot, Lawrence Smith, smokes five cigarettes a day. His mother, Mrs. Lawrence Smith, says she is worried because she can't break him of the habit.

"I've tried," Mrs. Smith said. "But Lawrence cries and cries until he gets his cigarettes. He wants his smoke."

Mrs. Smith, a divorcee, who works as a waitress, said she is

going to take her son to a doctor to find out why he likes to smoke cigarettes.

Mrs. Smith, who said she doesn't smoke, said she believed Lawrence picked up the habit from the baby-sitter she employs for the little fellow.

The mother tried to substitute candy cigarettes for the real thing. But it was no good.

Lawrence doesn't light the cigarettes he smokes. That's a job for either his mother or the baby-sitter.

"There's a danger from fire if he lights his cigarettes himself," Mrs. Smith said.

Lawrence is careful with the ashes. He even carries an ash tray in his tricycle.
